
Report To: **Planning and Environment** **Date:** **8th December 2025**

Contact Officer: **Paula Harrison**

Subject: **NOTICEBOARDS**

1. Noticeboard Proposal

- 1.1 The Parish team will be adding an informal noticeboard to Rivermead wheels track as previously discussed to assist in the promotion of youth-related activities.
- 1.2 The team have suggested that it would be appropriate to consider including a noticeboard adjacent to the location of a free standing defibrillator. This would be particularly relevant to Grange Park as the area is some distance from a public Parish noticeboard.

4. Financial and Budget Considerations

- 4.1 Formal noticeboards similar to those already installed across the Parish cost in the region of £810.00. There is no budget for noticeboards. There is an underspend on 'Community Celebrations' currently that could cover the full cost.
- 4.2 Updating noticeboards is time consuming and is most often assigned to the Engagement Officer or play area inspection.

5. Recommendations

- 5.1 That this Committee notes the report and considers adding a noticeboard in Grange Park (subject to defibrillator locations being confirmed).
