Please see the below message from Simon Anthony, the Director of Operations at Swindon Borough Council:

Dear Swindon Parish Council

Swindon Borough Council will shortly be weed treatment in your Parish. Weed treatment itself will be undertaken by a third party contractor – Charlton Environmental and will include all weed growth on public realm areas including footways, gullies, roads and kerbs. The attached rota is an outline of the schedule and progress will be dependent on weather and other factors. Zone 1 will commence this week and each zone should take approximately one day to complete.

Kind regards,

Simon Anthony

Director of Operations
